MEMORANDUM FOR: CHIEF, EE

SUBJECT: Gustaf
Dr. Hillger's comments on the recognition
of the Oder-Neisse boundary by Eastern Germany

1. Attached herewith is a copy of the text presented by Dr. Hillger in yesterday's meeting.
2. The passages concerning the West German Youth (underlined in red) appear to be extremely interesting, and if Dr. Hillger's observations and facts are correct, it would seem that this situation should be brought to the attention of the responsible HICOG officers.
3. If you and ☐ concur, it may be desirable to send this information, in a despatch, to de Neuville who can then send it on through the appropriate channels to ☐ staff. At any rate, I feel that this information may be of interest to our people in Germany.
